

# BRANISLAV RENDULIĆ

• front end developer •

## ABOUT ME

I've been programming since 2018, when I first encountered C language. Since then I started learning new languages, like JavaScript. My knowledge and interest about web development has expanded over time, so my next step is to become a professional.

## EDUCATION

### Information Technology

• Tehnicka Škola, Čačak, Serbia

## SKILLS

HTML/CSS/JS

React

Redux

Next.js

TypeScript

SASS

Node.js

MongoDB

Git
